- **David Saul**, Global Project Organisation, Subsea Engineering Technical Authority, BP, "What's Changed in The World of Reliability with the Update to API17N?"

Technical Contributors Include:

subsea 7

Value of Attending

Business Development

- World class networking
- Concentrated focus on deepwater, upstream market
- Attended by managers & executives of major operators & supply chain companies

Knowledge Transfer

- Recognized technical program focused on pertinent issues & topics
- Distinguished speakers sharing lessons learned, innovative technologies & future deepwater strategies

Optimal Event Organization

- Efficient event foot print creates effective traffic flow & continuity between exhibition, technical program & networking events
