- **Nuur Nuur**, Product Manager, Royal IHC, "Fuel Savings and Emission Reductions in the Subsea Construction Vessel Fleet by Application of Energy Storage Systems"
- **Roberto Ferrario**, Technology Project Manager, EniProgetti, "Rapid CUBE – Development of a Subsea Real-Time Level Control System"

Value of Attending

Business Development

- World class networking
- Concentrated focus on deepwater, upstream market
- Attended by managers & executives of major operators & supply chain companies

Knowledge Transfer

- Recognized technical program focused on pertinent issues & topics
- Distinguished speakers sharing lessons learned, innovative technologies & future deepwater strategies

Optimal Event Organization

- Efficient event foot print creates effective traffic flow & continuity between exhibition, technical program & networking events

Technical Contributors Include:

subsea 7

TechnipFMC
